

Snow Ball
2007

The Lyme Art Association has looked backwards to their marvelous history as an art colony when masked, costumed parties were held by the artists in the 1920's. The LAA will put on the Snow Ball to recreate this historical event. Lets, for a night, return to a day when life was simple and capture the essence, the spirit and tradition when artists and patrons dressed up in elaborate costumes and masks and celebrated together.

So....come and be someone else and enjoy the excitement of being whoever you want to be!

*All proceeds benefit
The Lyme Art Association Building Restoration Fund*

<i>Reese Garvin</i>	<i>Paula Solimene</i>
<i>Bob Potter</i>	<i>Anna Swain</i>

The Lyme Art Association gallery building was designed by the noted American artist and architect Charles A. Platt. It opened in 1921 through the generous support of its founding artists and remains a center for art exhibitions, education programs, and other cultural events for its members and the community.

Proceeds from The Snow Ball will help in the continued preservation and restoration of the building.
